

Step 1

Detect the client provided front image as a clear NID card/smart NID card issued by Bangladesh Govt.

Step 2

Extract the region of interests:

1. Name
2. Date of Birth
3. NID No.

Step 3

Use OCR to extract information from the region of interests:

1. Name
2. Date of Birth
3. NID No.

The image shows a Bangladeshi National ID Card (NID) with the following details:

- Header:** গণপ্রজাতন্ত্রী বাংলাদেশ সরকার (Government of the People's Republic of Bangladesh) and জাতীয় পরিচয়পত্র / National ID Card.
- Holder's Photo:** A portrait of a young man.
- Fields and Data:**
 - Name:** মোঃ মুরশেদ আলম (MD. MURSHED ALOM) - Labeled as "name": "MD. MURSHED ALOM"
 - Date of Birth:** 01 Apr 1997 - Labeled as "date_of_birth": "1997-04-01"
 - NID No.:** 870 155 0140 - Labeled as "nid_no": "8701550140"

Red arrows indicate the mapping from the physical card fields to the extracted data labels. A watermark 'Ofuran.com - Smart NID Card BD' is visible on the card.
